

## Fun-LEARNING Experience

A Teacher designed and built the Land of Make Believe specifically to excite the imagination and make learning fun. A Dairy Farm was transformed into a magical "Land" that incorporates Fun with Learning.

The historical Legend of Jenny Jump dates to 1748 when 9 years old Jenny & her family were among the first settlers in Western NJ. Her historical feat is recognized by NJ naming the Mt. range and the State Park after her. Visit her house & legend.

During the Civil War in Paterson, NJ a special steam locomotive was built. The 1863 C.P. Huntington contributed to building the Trans-Continental Railroad and had the lead part in the movie "Iron Horse". This is an important legacy of New Jersey and the United States. Ride the train.

Five Star General Dwight D. Eisenhower, the Supreme Commander of the European Allied Forces during WWII was flown in DC-3s. Explore the cockpit of this WWII DC-3.

Old McDonald's Farm allows children to learn and have interactive encounters with domestic farm animals not seen in ZOOS.

Lesson plans can be created to incorporate learning about these historical events and enhance the class trip experience.
